We reserve the right to deny or remove you from a trip if we believe your health could seriously risk your or others' safety. You agree that we're not liable for any loss, damage, or costs resulting from health problems you might face during your trip.

INSURANCE

It's highly recommended that you get travel insurance for your trip to protect yourself financially from any unexpected surprises that could mess with your travel plans.

Just a heads-up: smoking isn't allowed in any place that sells alcohol in New Zealand (like bars, restaurants, cafes, casinos, etc.). You also can't smoke in your lodging rooms or in any of our vehicles.

BOOKING

Fill out our booking form and send it back with your NZD\$1500 deposit to lock in your reservation. This will hold your spot until Nov 15th 2024 when the final payment is due. If you book after Nov 15th 2024, you'll need to pay in full right away.

PRICES AND PAYMENT

Prices are in New Zealand dollars (NZD) and include the 15% New Zealand Goods and Services Tax (GST). Prices may change if GST rates fluctuate or suppliers raise their prices.

You can make payments by:

- Direct Deposit: Our bank account details will be on the invoice for a direct deposit.
- We require NZD\$1500 deposit to secure your booking.
- The remaining amount will be due Nov 15th 2024.

COVID19 CANCELLATION POLICY

We know Covid-19 has added a lot of uncertainty, so we've worked out some special cancellation terms with our suppliers to help.

If the New Zealand Government sets travel restrictions before your trip that affect:

- **Our ability to run your group trip:** You'll get a full credit, minus any airline cancellation fees. This credit will be with Tischler Enterprises for 12 months and can be easily transferred to another trip or person at no extra cost.

If travel restrictions come into play while you're on tour, we'll seek credits for any unused parts of the trip from our suppliers. These credits will first cover any extra costs we incur on your behalf, like alternate accommodation or transportation to get you home or to the nearest airport. Any leftover funds will be credited back to you or your booking agent.

If you test positive for Covid-19 before your trip or are a close contact and can't travel, we'll request credits on your behalf with the right documentation (like a positive Covid-19 test or government paperwork).

If you test positive for Covid-19 while on tour, we'll seek credits for any unused trip portions with the appropriate documentation. These credits will first cover any additional costs we incur for you, such as alternate accommodation or transportation. Any remaining funds will be credited back to you or your booking agent.

CANCELLATION

Cancellation notice must be made in writing and emailed to rachel.tischler.art@gmail.com

- If you cancel before Nov 15th, your booking can be changed at no cost to another person and we will do our best to find someone to cover your spot. If your spot can't be transferred, then your deposit won't be returned.

If you cancel and you have paid in full after Nov 15th 2024, and we can't get someone to take your place, then you will be charged 70% of the full ticket price.

CANCELLATION BY TISCHLER ENTERPRISES PTY LTD

Tischler Enterprises Pty Ltd reserves the right to cancel any trip at any time and for any reason. We need at least 10 fully paid traveler's for the trip to go ahead. If we don't hit that number, we'll offer you an alternative trip or a full refund. This refund will be considered full and final settlement.

We're not responsible for other expenses like non-refundable or non-transferable airfare or other unrecoverable travel costs. We recommend getting travel insurance to cover these possibilities.

FORCE MAJEURE

If anything unexpected happens that's beyond our control—like new laws, government orders, strikes, or even natural disasters—we might need to cancel, change, or reschedule your group trip. While we do our best to handle everything smoothly, you agree that if this happens, we won't be responsible for any direct or indirect effects from these changes.

UNUSED SERVICES

Tischler Enterprises won't be able to offer discounts or refunds for any activities, accommodation, meals, or other services you miss or don't use if it's not our fault or that of our suppliers. This also applies if your participation in the tour is ended due to your own actions, negligence, or breaking our terms.

ITINERARY CHANGES

If we need to tweak the itinerary because of unforeseen circumstances, Tischler Enterprises Pty Ltd will do our best to stick to the original plan and provide similar high-quality accommodation and activities. These changes are up to our discretion, and any extra costs will be your responsibility. If the tour has to be cut short, we'll refund you for the missed portion. The refund amount will be based on the daily cost of the tour multiplied by the number of days missed.

ACCOMMODATION

Our itineraries usually include single rooms with private facilities, unless we mention otherwise. Sometimes, for a unique local experience, we stay in apartment-style lodgings with three bedrooms. In these cases, the King room will have its own ensuite, and the other bathroom will be shared by two people. Room assignments are handled by Tischler Enterprises. If you're bringing a partner and would like to share a room for the entire tour, just let us know!

PASSPORTS AND VISAS

It's up to you, the traveler, to make sure your passport is valid for at least 6 months beyond your departure date from New Zealand. Besides a valid passport, you'll need proof of onward travel (like a departing flight ticket) and enough funds to cover your stay in New Zealand.

For U.S. or Canadian travellers planning to stay for three months or less, you'll get a Visitor's Visa when you arrive. British citizens might receive a Visitor's Visa for up to six months upon arrival. For travellers from other countries, check the New Zealand Immigration website for the latest visa requirements: www.immigration.govt.nz. Remember, everyone needs to complete an electronic travel authority online before traveling. Tischler Enterprises Pty Ltd can't be held responsible for any passport or visa issues.

AIRFARES

Airfares are not included in our tour prices.

AIRPORT TRANSFERS

Airport transfers are not included.

EXCLUSIONS

Your tour price doesn't cover the following: airfare, travel insurance, visa fees, airport transfers outside the itinerary, airport taxes, excess baggage fees, phone, fax, and email charges, laundry, drinks, meals, optional activities not listed in the itinerary, alcohol, or any souvenirs and personal purchases.
